- Peace Meditation Pyramids -

(Using the pyramids for the Peace Meditation enables a connection of the meditating person with the "relay pyramid" at the Semjase Silver Star Center, which amplifies the impulses.)

The "relay pyramid" at Semjase Silver Star Center (SSSC) cannot be photographed because it is not visible from the outside. The photo shown on this page is a so-called travel pyramid (designed for the peace meditation), but not the object named "relay pyramid".

E-mail from Christian Frehner,
FIGU Core Group member,
5th February 2017:

“ Since thoughts are energy, anyone who is joining the Peace Meditation, even without a pyramid, helps strengthen the PM energy block/impact/influence/impulses etc.

What can be said regarding the portable meditation pyramids is, however, that there is no substantial effect when being used for other meditations at other times (with the exception for CG49 members at the SSSC on certain occasions).
