### 1 AN INTERVIEW WITH BILLY MEIER

In January of 1989 Randolph Winters makes another trip to Schmidruti to interview Billy. This interview was taped with the idea in mind of using the footage in the Pleiadian Connection video tape. The tape was never used, but the interview contained a lot of valuable information about Billy's contacts with the Pleiadians.

### 9 MYSTERIES OF EARTH

Taken from Billy's Contact Notes, this series of short articles clear up some of the mysteries left here on earth by ancient civilizations. Read about the Bermuda Triangle, The Legend of the underground city of Agharta, Mount Shasta, Easter Island and more.

### 19 THE HOUSE RULES FOR VISITING BILLY

Since Billy Meier's contacts began with the Pleiadians in 1975, people from all over the world have to come to visit and learn. Billy lives on a farm outside of Zurich Switzerland. If you plan to visit, here are the house rules as written by Billy and the others who live there.

## *An Interview*

*with*

*Billy Meier*

Billy Meier's physical contacts with the Pleiadians began in January of 1975 and are still continuing today. However, very little of the information coming from those contacts has found its way across the ocean to America. Billy has written down much of his information in books which exist in German only. This of course isn't much help to the English speaking world, also much of the information isn't even in his books.

In January of 1989 I returned to Schmidruti to visit Billy and to interview him on tape. I had originally planned to use the taped interview in the video tape Pleiadian Connection that I made. As it turned out it wasn't used. Since the interview contained a lot of important information I thought it would make a good article for you to read.

I should point out that Billy's main language is Swiss German. He speaks English but his vocabulary is not that well developed, so his choice of words to express himself is usually simple in comparison to how he would express himself in his own language. I have printed the conversation pretty much the way he said it only changing some of the grammar to make it more readable.

So here is the interview with Billy Meier at his home in Schmidruti Switzerland in January of 1989.

R = Question or response by Randolph Winters.

B = Answer by Billy Meier

R. Billy, out of all of the people on Earth why did the Pleiadians contact you, was there a special reason?

B. Because I'm the single person on Earth who has the ability to have telepathic contact with the Pleiadians as well as physical contact. There are no other people on the Earth who have the ability to do the same thing like I do.

This has a very long story which goes back to old times in the star systems of Lyra and Vega to a level of consciousness that is called Arahath Athersata. Many millions of years ago my spiritform was in the level of Arahath Athersata and came back to the human world to teach the people the truth about Creation and its laws. This happened on the Lyrian planets and later on the Vegan planets and then on the Earth, because the old Lyrians and Vegans came to Earth and my old spiritform came with them as a human being and began to teach the people here on Earth. On Earth I have a very long line of lives where I have always done the same job, the same mission.

- R. Will there be more lifetimes involved in your mission?
- B. Yes, there has to be.
- R. Are we somehow related to the Pleiadians, is it possible that some of us here on Earth are Pleiadian spiritforms.
- B. There are no Pleiadians on Earth, there are only old Lyrians and Vegans. There was a leadership of 144,207 old Lyrians and Vegans who came to Earth. They controlled a society numbering around 50 to 52 million people. The alien spiritforms on Earth are Lyrians, Vegans and people from Milona which is the planet in our own solar system that was destroyed. There are no other aliens on Earth, except for the ones who come here to explore or just pass by.
- R. So people who think that they have lived previous lives on a Pleiadian world are wrong.
- B. Yes.
- R. Billy, Time travel is a fascinating subject. Is it possible to go back in time and change history?
- B. No that is not possible.
- R. Could you go back in time and change your parents or have some effect on your current life?
- B. No that is not possible. You can't go back and kill someone that is living today. That is impossible. It's not possible to go back and change your parents. What has happened is fixed and cannot be changed. That's a little funny idea of the human being. In the movies they can do anything but in reality it's not possible because there are laws you cannot break. The Creation has laws that are not possible to play with or change.
- R. Billy, on one of your time travel trips it was possible for you to travel back and visit Immanuel (Jesus). Who was he?
- B. He was a man just like us. He was nothing else.
- R. Where were the Pleiadians involved somehow with the life of Immanuel?
- B. Yes they were contacting and working with him. They were working on the same mission as today. This mission goes back 389,000 years from today.
- R. Billy, last night in the hotel we were talking about time travel and a good question came up. If you were in a Pleiadian Beamship and traveled back to the year 1932, and while you were there you died, would your spirit stay in that time or return back to the current year?
- B. Your spirit stays in that time and must live forward from that point, it would not return to the current year that you departed from. You must live that time again from the past up to today and forward.
- R. Could you clear up some confusion about the terms spirit and spiritform. Are they the same thing or different?

- B. There is no difference, the words spirit and spiritform mean exactly the same thing. The human being is referred to as the spiritform, and generally we say that we speak from the spirit.
- R. The spiritform goes through many material lives. What is the purpose of the material life?
- B. The human has to be in the material life to study, to learn in order to evolve. That's the reason that he lives. When he dies the spiritform goes to the other side and contemplates what he has experienced. And when the studies are fulfilled there on the other side then the spiritform returns to the Earth in a new human being and starts with the beginning again.
- R. Is it possible to be born on another planet then the one that you die on?
- B. No. If you are living on this planet and you die you have to reincarnate on this planet again. It is impossible to leave this planet as a spiritform because your spirit is fixed to this planet where the material body died.
- R. How long does it take to come back into life after you die?
- B. The normal return is about 152 years. but now in the new age everything is different, because there is a big over population and all of the laws are somehow broken and the spiritforms who are on the other side have to return faster then the normal time. They may only be there for 10 or 20 years, maybe even 70 years, and then they will return. This is caused by the overpopulation on Earth.
- R. Is it possible for normal people to contact the other side?
- B. No it isn't. There are in the world 16 people who are able to make contact with the other side. But none of them would make this ability known to the world or tell anyone that they could do this because it isn't necessary and it isn't the right thing to do. It is absolutely wrong to contact the other side. If somebody says that he has a contact with the other side with somebody who has died then he is a liar.
- R. Or he is confused in his thinking.
- B. A liar or an Actor or something.
- R. Many people believe that they are in contact with the dead and that the other side is a world just like our physical world and that they can visit people there. But on the other side there is only the spirit I believe, no personality.
- B. That's right, you see there are many people around the world who say that they are in contact with the other side or aliens or demons or what have you. That's not true, with most of them its illness of the thinking, they have over turned minds. They are sick. They are out of there minds.
- R. When a Pleiadian women is pregnant do they have the ability to tell who the spirit is that is coming into life?
- B. They have the ability through meditation to recognize which spirit is coming into the new baby that is being created. It takes them about 20 or 30 minutes to be able to tell this.
- R. So that helps them understand who the spirit is so they would have a better understanding of how to help them in their new life. This must be a great help in education.
- B. Yes of course.
- R. Do the Pleiadians have a special message for us?

- B. The special message we have from the Pleiadians we have all written in our books. There are about 10,000 pages. The most important point of the message is to teach the people about getting back to the right way of living within the Laws of Creation.
- R. In the movies Aliens are usually portrayed as dangerous monsters who come to harm us. Should we be afraid of the Pleiadians.
- B. That's foolish.
- R. What are the Laws of Creation.
- B. Most of the Creational Laws you can find out in the free nature. If you are looking at the animals, plants and flowers and life that is going on in nature, there you can find out about the laws of Creation. What is the truth, how it is working, how everything works in a free and lawful way. Other laws you can discover through meditation and initiation, through your feelings and your own thinking. You can get a clear feeling in the meditation.
- R. Does every spirit that comes into life come in physically prepared.
- B. Each spiritform who comes into a body of a human being through a pregnant women is completely in good health. The spiritform is not able to become sick while it is on the other side, its impossible. The body of the baby of each lifeform has the right to be absolutely healthy in body, mind and spirit when it comes back into material life. This is the same on all worlds.
- R. Do the Pleiadians have a money system like we do.
- B. No, they have another system. They each work about 2 hours a day. They have some kind of check card that keeps track of where they work, you see they don't have to work in the same place each day. They can change their job whenever they like to anywhere on their world. The check card will be marked by a robot. They can then get all of the things they need for life like furniture, clothes etc..
- R. Do they have big cities like we do here on Earth?
- B. They have big cities but not as big as ours. The houses in the city are separated by a square. They have spaces in their house for flowers or for siesta. Each building is designed the same for this kind of life that they have. In each building there is just one family with a maximum of 5 people. This would be 2 parents and 3 children, nothing more.
- R. Do they have marriage like we do?
- B. They have marriage, but how they do it I don't know. I haven't any idea. I only know that there are the spirit leaders who put together or bring together man and wife. Normally a man has between 1 and 4 wives.
- R. Is it possible for the women to also have many husbands?
- B. No, they only have one husband.
- B. Their other houses that they have outside of the city are situated in squares about 100 meters apart. Inside each square has only 1 house per family.
- R. Do they live longer then we do?
- B. Yes, 700 to 1000 years.
- R. Is that because of medical advances?
- B. The whole evolution. Also the old Lyrians and the Vegans had a very long lifetime
- R. Billy, its curious how we are born either a man or a women. If you are born a man, do you stay a man or can you change to a women in the next life.

- B. you can change this from life time to life time. If in this life you are a man and you would like to be a women in the next incarnation, then you have to program your consciousness to be a women.
- R. So we have control over that.
- B. Yes, you have control over that. But if you are not clear in your thinking and do not know if you want to be a man or a women then you will be confused in your thinking and you may be a homosexual in your next life.
- R. So you must make the decision with clear thinking. If you leave this life and are confused about your sexuality then you might come back homosexual.
- B. Yes.
- R. Do you make the decision on the other side?
- B. No this is done in your mind in the material life. You have to be careful. There is another kind of homosexuality, one that is caused from a sickness of thinking. You can change this through teaching. You can help these people with what you call Psychology. Help them clear up their thinking.
- R. So its possible through teaching to help someone clear up their thinking during this lifetime so they will not be a homosexual in the next lifetime.
- B. Or maybe its possible to change it during this lifetime. If they can clear up their thinking then they could change their current life.
- R. Is it possible if you so choose to return in the next lifetime without a physical body and come back in what is called a light body?
- B. No That's absolutely impossible. The human being from the earliest beginning to that point to when we become a light body or what we call a spirit body takes 60 to 80 billion years with several millions of incarnations. Its absolutely impossible to have only a few thousand incarnations on this Earth and then think you are so clever to get out of your body and become a light or spirit body. The earliest point this is possible is around 60 billion years with several million incarnations.
- R. If we evolve into spirit body and evolve back into Creation does that mean that the Central core of the Universe, the Universal Sun is made up of spiritforms?
- B. The central core or sun is the Creational spirit from which all things in the Universe come out from. All life forms. There we will go back sometime very far in the future. At that time if you have evolved high enough in your evolution you will be able to make a connection with that power. You see after a period of 60 to 80 billion years the material existence ceases to exist and we move into a spirit body. The next step is a higher level of existence which takes trillions of years to evolve through until the highest level of existence is obtained called the Petala level. At this level the spiritform becomes the finest spiritual matter and then can become part of the Creation itself.
- R. Billy, what of Atlantis, did the Pleiadians have anything to do with Atlantis?
- B. The Pleiadians had nothing to do with it. The old Lyrians and Vegans had something to do with Atlantis. I mean some parts of the Lyrians and Vegans who had stations here had trouble which led to the destruction of Atlantis. A big asteroid was driven into Earth and destroyed Atlantis. The whole story was told to us by Semjase, you can read it in the contact notes.
- R. What of the city called MU?
- B. MU was the capitol city of the enemies of the people of Atlantis. It was in the Chinese desert.

- R. Are there any people left from Atlantis or MU?
- B. Yes there are some people left. They are living in underground cities near the Himalayas in India. They have bluish colored skin. I have seen once in India 3 people with blue skin and I think they came from there. It was absolutely strange in India to see people with blue skin. (laughter).
- R. In our galaxy is there a lot of other human life?
- B. There are more than 42 million different human races with around 340 or 350 different colors and shapes.
- R. Do many of these races visit Earth?
- B. No, the Pleiadians told me that there are about 3000 UFO's per year that come into the Earth atmosphere. Most of these ships are exploring the earth. They are usually the same ones over again. There are not many different races coming to earth.
- R. Where did the American Indian come from?
- B. The American Indian was one of the first 3 races created here on earth.
- R. How was the first man created on earth?
- B. The first human was like, how do you say.... slime. (we all laugh). The first human on earth started as a single cell. Then he evolved slowly into the body of a human being.
- R. Did we come from apes.
- B. No, That's not true. The apes came just like the human being.
- R. Billy, many people are in hope or believe that the Pleiadians are here on earth to help us solve our problems. What do you think of this?
- B. No, the Pleiadians are not going to solve our problems for us. The single way they will help us is to bring us teachings for the mission. I can get information from them and I can write them down and give them out to the people. That's the only thing they will help us with. They do not come here to make peace or war. They do not have any ambitions to over take the earth, they are not interested in this. They feel they want to help us because we have common ancestors which caused problems here many years ago and now they want to help us with the teachings of Creations laws.
- R. If a person wants to learn to evolve how do we began?
- B. First thing is to study through the meditation. He has to listen to his inner voice. That's the first step. He must learn to listen and work with his inner voice. The second thing is to learn to see, speak and hear in a very clear way. Then the meditation itself. And if the meditation is coming clear after some years then the human can go a step higher and he can do the initiation. This means he can began to talk with his spiritual consciousness that is within him.
- R. Are you still having contacts with Semjase?
- B. The last contact with Semjase was on my birthday in 1984. Then she left our planet and our galaxy and went to the Dal Universe where she will stay for about 70 earth years. The contacts with Semjase are over, but still there is occasional contact with Ptaah and the others.
- R. Did Semjase have contacts with any other earth persons that you know of?
- B. No, the only contacts she had on earth where with me.
- R. Do any of the other Pleiadians have contact with earth people?

- B. Not in a way that the earth person would know that there was contact. There are between 24,000 to 25,000 people on earth who get impulses from the Pleiadians. These people receive impulses only and are not aware they are being contacted. There were 2 other people who had telepathic contact with Pleiadians other than Semjase, a man and a 16 year old girl who were killed in a car crash in Italy. The reason they had contact was to inform people about my mission, that all I'm saying is true and that I'm working on this mission with the Pleiadians. They were something like a backup team for me but they died by accident. Now I'm the only one with contacts with the Pleiadians. These people who come forward with claims of contacts with the Pleiadians are just swindlers or con artist. The swindlers are not aware of one thing, that the Pleiades that you see in the night sky does not support life, no one lives there. The Pleiades that you can see in the sky are too young to support life. The suns in the area are blue and cannot support life. There is no other person who can contact them in the time shift that they live in except me. I'm the only person who has this ability. The Pleiadians say they live a small part second out of our time. Its not possible to see them unless they make an adjustment somehow with there equipment so we can perceive them. The matter they are made of is much finer then ours so it is very dangerous for them to shake hands or come near the earth people.
- R. What is telepathy and can we develop it.
- B. Telepathy is a kind of hearing, of listening. Its a very fine way of using the ears. We call it the primary telepathy. That's not the real telepathy. The real telepathy is called spiritual telepathy and is based on symbols, but the primary telepathy is working on words and pictures which you produce in another human being with his ear and his consciousness.
- R. What are the Akashic records?
- B. This is a bank of energy around the earth that records everything about the human being. What he is speaking, thinking, doing, everything is recorded. If you die then when you return you will get impulses from there. Then you get ANUM (something like a hunch or a little voice), and then you know things, and you get results without knowing from where. All of this is done with this Akashic records. Some times you can find people who can use the Akashic for getting impulses from other people because his frequency is very near to the other person. This leads to a person who can draw or write using impulses from another spirit. Then you say, oh That's Michael Angelo. He has contact with Michael Angelo. But he doesn't have contact with Michael Angelo, he is only getting impulses out of the Akashic records from that frequency.
- R. Can we learn to find the keys to get into the Akashic records?
- B. Yes in the meditation. Everything you will do in the spiritual way is going through the meditation and initiation. Always, there is no other way.
- R. What of the rumors that your pictures are of models?
- B. There were 2 models made. Wendelle Stevens and Lee Elders and Tom Welch had them made by some students. I think they paid about \$400 each for them. They brought them over to me and had me take some pictures of them to compare with the real ones I had taken. We tried to make them look like they were flying by hanging them from a stick on a string. This was during the time we were shooting the movie Contact. I still have one of the models in my office. It was a present from Wendelle.
- R. What is the role of the FIGU.

- B. The role of the FIGU is simply. They have to correct everything that I'm writing down. To print and to make books and to provide them to the people around the world. Part of their mission is to teach the people Creations laws. They have to study and work hard. They must learn to meditate and become initiated. They must learn who they really are and what they must by doing in this life. Most of the FIGU members are old Lyrians and they are living under a CODEX which they committed themselves to several thousand years ago, and they live now under that CODEX and must work for it now. That's not only for the Lyrians here in Schmidruti at the Semjase Silver Star Center, but the same is true in the United States, also in Japan or Sweden.
- R. Billy is there a special message about your mission with the Pleiadians.
- B. Each human being, what he is doing at all times, day, night, month by month, he is always responsible for himself. There is not a god that is responsible for the human actions, there are not angels or holy people who are taking responsible for the human being. The human being is always responsible for himself.

My thanks to Billy and his family for their time and energy they have shared with me and my friends.

# Mysteries of Earth

Among all of the information that Billy Meier has received from the Pleiadians I have always found it fascinating to hear about some of the mysteries which surround our own planet. Like what is so special about the Bermuda Triangle and who built the pyramids and was there really an Atlantis.

Contained within Billy's contact notes are the answers to these questions and many more. I thought I would take a few of these explanations and put them into one section so you could catch up on your mystery solving.

## **Bermuda Triangle.**

A Mystery that has long plagued us in the many strange disappearances of ships and planes in the area called the Bermuda Triangle. Many books have been written speculating on the cause of the disappearances. Billy was of course curious if the Pleiadians could offer any explanation.

To began with the events in the Bermuda Triangle are not caused by Extraterrestrial influence, as a matter of fact even ET ships from time to time have been effected by the phenomenon also. It is also not true that these events are caused by the power of Satan. Satan is a product of the fantasy of the Christian religion to enslave the minds of those who will allow it.

The area of the Bermuda Triangle is part of the old continent of Atlantis. There is still a base far deep in the ocean in that area where the descendants of the Atlanteans live. They are quite peaceful and do present a menace to our society. Actually they have lived here a lot longer then our civilization has and have more claim to calling the earth home then we do. After the destruction of their home continent some of them survived. Unfortunately the air was not breathable for many years after the destruction of their home so they were forced underground where they still live today. They have ships capable of underwater travel and interstellar flight and have been seen leaving or entering the water on

several occasions. But these people are also not the cause of the strange events.

The events of the Bermuda Triangle have a logical explanation even if it may seem difficult for us to understand here on earth. Semjase told Billy that on some occasions she has made trips into the Bermuda Triangle herself and understood what was going on quite well.

There exists in the Bermuda Triangle as well off the coast of Japan and Madagascar what you might call a dimensions door to a parallel universe. The dimension doors are caused by the effect of two giant suns whose radiations originate 720 light years from our earth. At these 3 points on earth the radiation from these suns comes together and causes a strange rip or tear in space. A dimension door is opened and ships and planes slip through it. Since the earth is moving this tree arm radiation hits the planet in three places only at that time when the earth moves in the focus of this wandering radiation. The doors stay open only for a short time. In some cases the ocean floor will rise up to the surface and stay there for a hour or two causing a ship to run aground and then pull it down with it when the ocean floor again falls to the bottom where it came from. In other cases a plane may slip in time. Semjase told Billy that in the near future we may hear of planes from the 1940's or 50's flying into some airport looking like they just took off. Its possible that some old sailing vessels may hit the east coast of America.

In the parallel universe that can be entered through the Bermuda Triangle there exist 3 earths. This was caused by the planet Venus 3500 years ago. Venus came close to the planet earth and disturbed the harmony of the dimensions and two planets, the planet earth as it was 3500 years ago and a vapor planet covered with gas got dragged into the dimension of the future planet that already existed there. Because of this there are 3 planet earths existing in our parallel universe. The planets were so close together you could see all 3. Billy was allowed to travel with Semjase through the dimension doors into this parallel universe and see for himself. During that trip Billy witnessed an earth about 500 years in our future plus he was allowed to see and photograph prehistoric creatures. He saw disc like ships leaving the moon and returning to earth which caused them to leave so as not to be detected.

The radiation from the two giant suns does not hit earth any longer as the earth has moved out of range. The strange disappearances should be over.

# Mysteries of Earth

## Quetzalcoatl.

Quetzalcoatl was a high officer of an extraterrestrial group which was active in the reign of Egypt after the destruction of Atlantis. He was very wise and kind and was often sent on special missions. One of these mission brought him to South America where he was praised as a god by the Aztecs.

He came in contact with Huitzilopochtli, a leader of the Gizeh people who had led the Aztecs to the ritual of human blood sacrifices. Quetzalcoatl was against these rituals and a bitter feud developed for power. Huitzilopochtli was able to drive Quetzalcoatl out causing him to return to Egypt.

## The Legend of Agharta.

In ancient times around 33,000 years ago a Lyrian named Muras founded the city of Mu which became a country located in the Gobi desert. Mu had two underground cities, Agharta alpha and beta.

Agharta Beta was the seat of power and was connected to Agharta Alpha by a large tunnel which has since collapsed. Today there is still another small tunnel there.

Muras had a daughter named Karytide who was the wife of Atlant who founded the continent of Atlantis about the same time. These two civilizations lived in peace for almost 18,000 years until outside forces caused them to fight among themselves which led to the destruction of Atlantis and Mu.

settled on a small island near Easter Island called Mot. Mot in the old Lyrian language meant "bird".

He and his followers were Lyrians, with giant bodies around 35 feet tall. They taught the local natives how to use their highly developed machines. The natives out of tribute began to construct the statues we see today on Easter Island.

Similar events also happened in areas called Pisco, Nazka, and Sacsayhuaman. On lava walls on Easter Island also are reproductions of the space ships.

After several thousand years the giants suddenly took sick from some disease and fled from earth in their ships taking all of their technology with them. No trace of where they went has been found. The Pleiadians presume they died in their ships.

Many of the statues never were finished. The natives tried to finish the statues with primitive stone but failed. The natives apparently tried to get the Gods to come back by finishing the statues with red hats made from clay from a local volcano.

The Pleiadians do know the giants were somehow in contact with a race of humans in Andromeda which seemed to prompt an expedition here 2568 years ago. These humans from Andromeda were 180 cm in height. They stayed for 20 years and 7 months. They built up a high culture which built the Nazka lines which were half-tube channels to protect electrical energy centers. The Andromedans also could not accommodate themselves to the earthly atmosphere and left in a hurry to save their own lives.

## **Giants and Gods.**

Over the many years many races of Titans have colonized in many parts of the world. Ancient Lyrians were 25 to 35 feet tall. Many of the Greek gods were among these. Hercules, who was over 10 feet tall, was from the descendant of the Hyperboreans as well as many of the other

# Mysteries of Earth

Greek Gods. Noah for instance was around 12 feet tall, and Adam was almost 16 feet tall. The great God from the Sumerians, Gilgamesh was more than 24 feet tall.

Many of the Pleiadian ancestors were giants who by living here over the years and interbreeding have become smaller because of the influence of the planet. Ancient races who were dwarfs are likewise becoming larger as they evolve.

The present day Pleiadians whose ancestors were Lyrian giants have also become smaller because of their planet and today are about the same size as us.

## The Gizeh Intelligence.

Many years ago in the Pleiadian system there was a group called the Bafath who lived in the far regions of the ring nebula. Their leader's name was Arussem who 3300 years ago led his 72,000 followers to earth. They secretly hid under the Gizeh plateau in Egypt which supports the great pyramid of Gizeh called Cheops. The Bafath have been unable to reproduce here on earth and are slowly dying out. In the 1950's less than 2000 were left.

The great pyramid was built by their ancestors 73,370 years ago. At the time it served as the top of a small underground city which they now hide in. The great pyramid was originally built along with 2 others on our planet as devices to transfer matter and people around the planet. The pyramid was covered with gold at that time and contained an apparatus on the top to enhance the kinetic energies of the inhabitants. The outer skin of the pyramid served to keep out unwanted energies thus allowing the kinetic powers of those within it to be increased. The other 2 pyramids are in China and one in Mexico. The one in China is far below the ground and it could be some time before it is discovered. The one in Mexico is just below the surface and should be uncovered sometime in the 90's.

# Mysteries of Earth

---

---

The Bafath creatures are a wicked group who would like to rule the earth. They are afraid of the Pleiadians and are attempting to control the earth while staying hidden from them. To do this for almost 2000 years they have tried to take over the earth by controlling through telepathic means the leaders of religions and politics. Billy was told in the year 1976 that 723 religious and political leaders were receiving telepathic impulses from them.

The Bafath with the help of a wicked group of aliens from the Pegasus star constellation even tried to kill Billy and his group by planting infected insects into his trees.

For many years the Bafath have controlled many religious leaders to cause confusion and wars among the people. They are responsible for causing many illusions of religious saints to cause the illogical humans to fall more deeply under religious delusion.

In Waldport Oregon a few years ago a group of UFO enthusiasts were telling people that the end of the world was near and that they could be saved. If you gave them all of your money you could go on a space ship to another planet. This group was telepathically controlled by the Bafath.

An American named Reinhold Schmidt was controlled telepathically to believe he had been in the great pyramid to see the crucifixion utensils. He also was fooled into thinking he had been taken for a ride in a space ship to the arctic. This was all illusion caused by telepathy to control the poor man. He is not lying as he actually believes it's real.

Adolph Hitler was born a person of very great worth. He was not spiritually advanced, but was of very high intelligence. He was destined to bring great change to the world through his intellect. Through the Thule Society in Germany the Bafath were able to seize possession of Adolph Hitler and to use him for dark and wicked purposes that he could not defend himself against. Many around him were also controlled. The world came to hate him without really understanding what had happened.

In the 1930's the leader of the Bafath was called Kamagol, a very wicked leader. A commander of his named Aruseak, who was also known as Ashtar Sheran, pulled away from his command in 1937 in his own personal effort to know the truth. He and his men fled the earth to keep away from the Bafath. They send information to the minds of many earth people, but are not fully informed themselves of the truth. You must be careful with their information.

# Mysteries of Earth

In 1977 the Bafath again attacked Billy and his group in Switzerland. This time the Pleiadians interfered and have taken the Bafath off of the planet.

## Destroyer Comet.

In ancient Lyrian history they speak of a Destroyer comet that came through their system and wiped out a large percentage of the population. This was a great setback to their civilization. That same comet led the Pleiadians into our system around 210,000 years ago.

On several occasions the comet has had a dramatic effect on our planet. 10,079 years ago the Great flood was caused the comet. At that time the earth day was 40 hours long and the sun did not set in the East.

This comet returns approximately every 575 1/2 years and will return again in 2255. The last passage was in 1680 which caused great damage in the Mediterranean area. There were great storms and volcanic action from the santorini volcano. Egypt was flooded.

## Our Moon.

Millions of years ago our moon was a fragment of a destroyed planet in another system. It was caught by the immense power of the Destroyer comet and pulled into our system. The moon was part of a planet that is 4.5 million years older than earth.

---

# Mysteries of Earth

## Venus.

Venus was originally a moon around the planet called Uranus. It was a cold desolate moon covered with ice.

8,590 years ago the Destroyer comet passed through our system and pulled Venus from its orbit around Uranus. This caused Venus to change its orbit. On two more occasions, 7,957 years ago and 6,906 years ago,

Venus was disturbed in its orbit by the comet. 4,058 years ago the comet passed through again and Venus had its orbit changed again, this time on a path towards earth. This path continued until 3,583 years ago putting Venus on a direct path towards earth. At 3,453 years the comet once again came through our system and caused the santorini volcano to erupt and pushed the little planet of Venus close to our sun. As Venus made its swing around the sun it was greatly heated up. The ice covering melted and turned to steam. The surface temperature rose to that of melting lead. On this swing around the sun Venus came into its present orbit where we know it today.

## A Visit to the SemJase Silver Star Center

---

Since 1975 when Eduard "Billy" Meier began his contacts with the extra terrestrials from the star system known as the Pleiades, people from all over the world have been inspired to meet and visit with him. Just to locate Billy isn't easy, since he lives in a small remote area about an hour outside of Zurich Switzerland. His home is a rural farm where he lives and works with his friends, a group called the F.I.G.U., which is a German Acronym for "Free Community of Interests in the Border and Spiritual Sciences and UFO Studies". In the 70's Billy's home was visited by thousands of people from all over the world. Billy and his family tried to be good hosts to all visitors, but that's not easy to do, and as the years went by a natural desire for some privacy and peace of mind have led Billy to restrict visitors. A lot of time must be spent taking care of the farm, as well as the work that goes on in respect to his writings. It is still possible to visit his farm, which is called The Semjase Silver Star Center, but it is necessary to write for permission to visit and to observe the fact that this is Billy's home and to respect his privacy.

If you are interested in visiting the "Center", you may write to Billy showing your interest and why you would like to visit. Try to remember they do not have time for everyone, but are always interested in making new friends with those who come with love and understanding.

# HOUSE RULES

If you write, try to make your letters in German if you can, and do not expect a quick reply, as they receive a lot of letters and only have so much time to answer. You must also bear in mind that they speak German. Billy speaks a little English as well as some of the others, but do not expect a lot of long conversations.

There are no guest facilities at the "center", so you must make arrangements in nearby Wila, where there is a hotel. There is however a guest house close to the center where you can expect bed and breakfast for about \$12 a day. This is a very rustic and old roadside house with very pleasant people running it, but who speak no English.

Billy has built a guest patio in front of the house for greeting people. There you may look through his photo books, sign his guest book and ask questions. Usually Billy's wife, Kalliope will greet visitors and help you with the books and flyers. Do not expect to meet Billy as it has been some years since he greets guests.

The following list of "House Rules" were written by Billy for those who wish to visit, and provide an understanding for visitors to adapt to the way of life at the center.

If you wish to stay at the local roadside guest house ("Freihof") for a few days, you can ask for permission to work at the farm, where there is usually always something to do in the garden or the fields. Once you arrive at the center and have visited the guest patio, if you wish to offer your services, ask if you can help out around the center. You will usually be ask to come back in the morning around 9:00 a.m. and meet Silvano at the guest patio. Silvano is in charge of daily chores around the center. He speaks some English and is a real charming man.

Here then are the House rules:

# HOUSE RULES

When you are visiting the Semjase Silver Star Center please adhere to the following house rules. If you have already visited the center before then these rules will be familiar to you.

1. If you are willing to lend a hand around the farm, do not be shy. Let us know since we need all of the help we can get.
2. When you work at the center and help out with the work, you do this of your own free will and on your own accord and understand that there is no compensation.
3. We are not in the position to compensate your efforts with money, natural goods, foods or beverages, because of the ever higher rising costs of living and the Government laws. The farm does not provide us with enough money to live on. You can stay in the local guest house for about \$12 American dollars per day. This will be for room and board.
4. While visiting the Semjase Silver Star Center you are expected to be self sufficient as far as food and drink. These things may be obtained from the guest house. It is forbidden by Swiss law to pay visitors or guests any compensation for his or her work at the center, unless you are not a member of the family or relative of the F.I.G.U.. According to the law we are not a guest house or hotel.
5. If you are carrying your own food from a backpack, it is forbidden for you to prepare meals in the kitchen of the center. Government regulations for the prevention of water pollution and the executive council of the Canton of Zurich don't allow this, because this can cause more water pollution.

For long term and short term visitors who are not members of the family, relatives or FIGU members who are living outside of the center, invited guests or other special guests, the following is valid:

"Room and board is always to be found outside of the Center, in the "Freihof" (guest house) in Schmidruti, or in any other suitable guesthouse, if there is no self catering from ones backpack in the Center area.

There are no rooms at the center for eating and drinking. So, if you are self catering it must be outside in the open air someplace, such as the garden patio, or the resting place in the nature preserve.

6. The mobile trailers at the Center are not to be used for eating, drinking or sleeping over night. This is restricted by Governmental law except in those cases where permission is obtained from the Government for member of the family and FIGU members. If you wish to camp out or use the barbecue facilities this is allowed from time to time. This means that each person is only allowed 1 holiday per year (in case of divided holidays, 2 times per year). Longer stays, by Governmental regulations, must be in a guesthouse or hotel.

# HOUSE RULES

We are not a HOLIDAY RESORT

Each member of the group, living in the Center are doing the daily chores in the Center along with the daily work for themselves and the Center, and to maintain the mission in life and to build it further.

BYSTANDERS are not permitted in the Center !

8. Long term and short term visitors who are loitering and who do not wish to help out around the Center cannot be tolerated. It is also strictly forbidden to give access to the Center buildings and premises. Visitors who are loitering are asked to leave the Center area as soon as possible.

9. Please pay attention to the following most important rule:

Billy is not to be approached by visitors unless explicitly invited by him. If Billy is sitting on his porch or just walking around the farm, he should be left alone in peace, since he either has a problem to solve, or is contemplating about the work of his and of all Center dwellers mission, or he just wants some time to himself.

Although visitors are always cordially welcome, if you do not observe this rule, we will have to ask you to leave the Center immediately.

10. If you would like to offer your help with the work around the farm for some days or even weeks, then the Center dwellers will enjoy and appreciate this. We cannot offer you money or food and board, which is stated under sections 2 - 4.

We recommend you ask for room and board at the guesthouse, "FREIHOF", in Schmidruti, where you can eat, drink and sleep at very reasonable rates.

11. Special visiting hours can be arranged only for such visitor, which are coming from abroad more the 1000 km (about 800 miles), calculated from the Center. For instance: Lubeck, Kiel, Flensburg, London, Rennes, Nates, Gerona, Sardinien, Rome, Split, Budapest, Ostrava, Breslau, Berlin, Amsterdam, USA, Australia, Africa, Asia, such as Japan.

12. Trespassing on Center buildings and premises, like the kitchen, bathroom, shower and restrooms etc. is strictly forbidden for persons who don't live in the Center, this is only for members of the family, relatives, or out of the Center living members of the FIGU, invited guests or other dignified guests.

13. Restrooms, bathrooms, shower and kitchen areas cannot be used under any circumstances. Look to item 5, second part.

# HOUSE RULES

During the week days the following members help out:

Kalliope and Eva....Purchase of books and writings.

Kalliope.....Magazine subscription.

Eva.....Subscriptions of Spiritual lessons and I.D.

Silvano.....Allocation of work around the Center in accordance with Jakobus.

# Questions & Answers

*Is it possible to buy Billy Meier's contact notes.*

The 18 books of Billy's notes are what Wendelle Stevens is making his "Messages" books from. They have never been for sale as they are not translated well. The reason I made the 5 sets of audio tapes is to try and get most of the information in them on tape for people to hear. You can order them in German from Switzerland if you like, but I have promised Billy I wouldn't sell them. Sorry, tapes is the best I can do, but they do cover alot.

*Was Billy Meier the only Pleiadian contactee.*

The Pleidians caused 4 people to be born at the same time in different parts of Europe. At the age of 5 Billy decided he would be the contactee. The 3 others were all born at 11:20 p.m., Billy got here early at 11:00. 2 of the others were killed in a car wreck in northern Italy a few years ago. Their role was to receive telepathic messages from the Pleidians and support Billy. There is one left, Billy won't say who she is.

*Are the Gizeh intelligenece and the Bafath the same thing.*

The Gizah people are decendents from some ET's who were called the Bafath in ancient times. They came here about 73,370 years ago, built

the Pyramid in Egypt and the underground tunnels and levels beneath the Great Pyramid. They have been enemies of the Pleadians for many years. As I understand it they have been the cause of many power and religious leaders taking the wrong track. Apparently they operate on a theory that the world is easier to control through wars and destabilization. They were trying to gain power through Hitler. In 1976 Billy was told that about 723 world leaders and thinkers were under their influence.

*How can I find out more about Billy's contacts with Asket when he was young.*

Billy's trips with Asket are documented in his Contact notes over several books. You would have to write to the FIGU in Switzerland and order the Contact Notes in German and get someone to read them to you. Or just get my tapes, most of it is on there. Billy toured with Asket under the Great Pyramid in Egypt for a lesson about the Gizah intelligence, Jesus and his previous lifetimes. He also traveled in time with her on several occasions including a trip back to the year 32 to talk to Jmmanuel (Jesus). These trips on are on the tapes.

*What does the Pleiadian word Ishwish mean.*

Ishwish is the Pleiadian word for "King of Wisdom". In ancient times when Pleiadian, Lyrian and Vega leaders came here they were called by the name of Ishwish. The word has gone through several changes and pronunciations,

# Questions & Answers

but means the same thing. The Hebrews changed the sound of it as they were not supposed to say the word outloud so they changed the sound a little so they could talk to each other. I think it has gone through about 4 different spellings and pronunciations, but still means the same thing. On the history tape it is more detailed.

## *Was Jmmanuel (Jesus Christ) a Pleiadian*

Jmmanuel is not a Pleiadian. He is a Lahson. His spirit was brought to earth by the Pleaidians as teacher about 11,000 years ago. He is unusual as he is the oldest spirit on earth having lived more physical lives then any of us. He is also the only Lahson on Earth. He choose the mission and has no debt to pay. His mission involves 6 more lifetimes on earth and he will return to Lahson I'm told. He was caused to be born as Jmmanuel by the Pleiadians as they were leaving Earth and wanted to leave an old spirit behind as a teacher who would know the truth about life and the Universe. His spirit has been incarnating about every 150 to 200 years and has had several lifetimes as historic figures which I'm not permitted to talk about. The Talmud Jmmanuel will give you a good sense of who he was. Happy reading.
